About Me

Hello! I am Tehrim Fatima, a creative and ambitious individual with a passion for programming, UI/UX design, and education. I thrive on continuous learning and enjoy collaborating with like-minded individuals to create impactful digital experiences. My journey in software development and design has equipped me with the skills to build engaging and user-friendly interfaces.

Education

- Bachelor of Arts (BA) – Karachi University, Pakistan (*Ongoing*)
 - Intermediate in Commerce – Sir Syed Govt. Girls College, Karachi (BIEK, 2023)
 - Matriculation (Secondary School Certificate) – New Jilani Secondary School, Karachi (2021)
 - Governor's Initiative of AI and Metaverse 3.0 – Governor House, Sindh (*Ongoing*)
-

Skills

- Programming Languages: JavaScript, TypeScript, HTML, CSS
- Frameworks & Libraries: React.js, Next.js, Tailwind CSS
- Design & UI/UX: Figma, Adobe XD, Responsive Design
- Tools & Technologies: Git/GitHub, AOS Animations, API Integration
- Soft Skills: Problem-Solving, Creativity, Communication, Team Collaboration

Experience

Software & UI/UX Development

- Designed and developed multiple responsive and interactive UI components for personal and client projects.
- Integrated animations and transitions using AOS and CSS transformations for enhanced user experience.
- Built structured Next.js applications with dynamic routing, API handling, and state management.

Education & Teaching

- Student Teacher at a local school, assisting in curriculum delivery and fostering a learning environment.
- Engaged students with interactive teaching methodologies, particularly in programming concepts.
